=====

IRRIGATION & CAD (MI II) DEPARTMENT

G.O.Ms.No. 120

Dated 02-12-2010.

Read the following:-

1. Minutes of Meeting held by Hon'ble Chief Minister on 14.11.2006
2. From the Chief Engineer, Minor Irrigation Letter No. DCE II/OT1/SO1/List of Tanks/Lakes in Erstwhile HUDA area, dated 9.11.2010.

<00>

ORDER:

In the meeting held by the Hon'ble Chief Minister on 14.11.2006 on Conservation and Management of Lakes in Hyderabad Urban Area, certain decisions were taken and one among them was that all the water bodies within the jurisdiction of HUDA (HMDA) have to be transferred to Municipal Administration & Urban Development Department.

2. In the letter 2nd read above, the Chief Engineer, Minor Irrigation has stated that there are 3086 Minor Irrigation sources within HMDA limits and out of which 368 are Minor Irrigation Tanks. Out of 368 Minor Irrigation Tanks, the water Users Associations exist for 301 tanks and 67 tanks are without Water Users Associations. Out of balance 2718 tanks, there are 2684 small tanks (erstwhile PR tanks), 29 erstwhile MCH Tanks and 5 lakes. Out of 3086 tanks, it was proposed to hand over 67 Minor Irrigation tanks with no Water Users Associations, 2684 small tanks (erstwhile PR Tanks), 29 erstwhile MCH Tanks and 5 lakes to MA & UD Department. Further he has stated that notification was issued by erstwhile Hyderabad Urban Development Authority in the year 2000 for notifying 169 Water Bodies which are bigger than 10 hectares in extent belonging to Government, private parties and partly by Government departments and partly by private individuals. Subsequently 501 Water Bodies were listed by HUDA in their jurisdiction. Out of the list of 169 Water Bodies notified by erstwhile HUDA, only 125 Water Bodies are covered in the list of 501 Water Bodies in the jurisdiction of erstwhile HUDA. The remaining Water Bodies are 44. Out of 501 Water Bodies, 415 pertain to Irrigation & Command Area Development Department. Out of 415 Water Bodies with Irrigation & Command Area Development Department, there are 16 WUAs for 16 Water Bodies which are proposed to be retained with Irrigation & Command Area Development Department. Hence, the balance 399 Water Bodies are proposed to be transferred to Municipal Administration & Urban Development Department.

3. Some of the Lakes and Water Bodies like Hussain Sagar, Osman Sagar and Himayat Sagar etc., are not figuring in the list of Water Bodies proposed for transfer, as they are not presently under the control of Irrigation & Command Area Development Department.

4. Hence, the Chief Engineer Minor Irrigation has requested the Government to issue necessary orders for handing over the water bodies from Irrigation & Command Area Development Department to Municipal Administration & Urban Development Department.

5. The Government after careful examination of the said proposals have decided to transfer those Tanks/Lakes/Water Bodies falling under erstwhile Hyderabad Urban Development Authority area from Irrigation & CAD Department to Municipal Administration & Urban Development Department in first phase.

6. Accordingly, the Government hereby order to transfer 399 Tanks/Lakes/Water Bodies falling in erstwhile Hyderabad Urban Development Authority Area as shown in the Annexure to this order from Irrigation & Command Area Development Department to Municipal Administration & Urban Development Department immediately.

7. It is further clarified that any Water Body within the jurisdiction of erstwhile Hyderabad Urban Development Authority would be under the control and management

of Municipal Administration & Urban Development Department irrespective of mention in the list.

8. This order comes into force with immediate effect.

9. The Municipal Administration & Urban Development Department and the Chief Engineer, Minor Irrigation shall take further action accordingly.
